

To the Editors:

## ***CMJ* home page**

*Ceylon Medical Journal*, 2000; **45**: 140

First let me congratulate you on an excellent resource site – I was so pleased to find that the *CMJ* has its own home page. I am currently working with the UN World Food Programme on a review of nutrient deficiencies and related supplemental food interventions here in Sri Lanka. The *CMJ* is obviously an excellent resource, and I have

**Barbara Mulvaney**, *World Food Programme* (via e-mail).

been referred to it by many professionals I have spoken to. I am curious to know if there is a collection which I may look through, and where I could find it. Would I be allowed access to the library at the Faculty of Medicine? Any assistance or advice you could provide would be greatly appreciated.
